The Initial Trustees intend that the Digital Reef be established and maintained as a permanent public-benefit digital infrastructure for the advancement of place-based well-being, recreation and community outcomes. The Initial Trustees acknowledge that the Digital Reef is intended to endure beyond their involvement or lifetime, that they are “planting trees in the shade of which they will never sit”, and that accordingly they have assigned all Intellectual Property relating to the Digital Reef to the Trust to ensure its long-term protection and continuation.

---

The Trustees have the following powers which may only be exercised to further the Trust's Purposes or to further purposes which are incidental or ancillary to the Trust's Purposes:

1. **Raise funds:** To raise money for any of the Trust's Purposes by all lawful means, including the conduct of fundraising campaigns.
2. **Invest:** To invest the Trust Fund and the income from it in any form of investment, and to vary any such investment from time to time. Where, for the time being, there is more than one person acting as a trustee of the Trust Fund, and one or more, but not all, of them is or are engaged in a profession, employment or business which is or includes acting as a trustee or investing money on behalf of others, then in exercising any power of investment. that trustee or those trustees (as the case may be) shall not be required to exercise the care, diligence and skill that a prudent person engaged in that profession, employment or business would exercise in managing the affairs of others. Rather, that trustee or those trustees (as the case may be) shall be required only to exercise the care, diligence and skill that a prudent person of business would exercise in managing the affairs of others.
3. **Retain investments:** To retain any investments coming into the Trustees' hands as part of the Trust Fund for as long as the Trustees think proper, even if they are not investments which could be properly made by a trustee.
4. **Sell:** To sell any real or personal property forming part of the Trust Fund in the manner and on the terms and conditions the Trustees think fit, including (without limitation) power to allow such part of the purchase price as the Trustees think fit to remain on loan with or without security or to be payable by instalments.
5. **Postpone sale:** To postpone the sale of any real or personal property forming part of the Trust Fund for as long as the Trustees think fit without being liable for any resultant loss to the Trust Fund.
6. **Let:** To let any real and personal property at such rent (including on a rent free basis) and on such terms and conditions (including an option to purchase) as the Trustees think fit and to accept surrenders of any leases and tenancies.
7. **Borrow:** To borrow any money at whatever rate of interest and upon whatever other terms and conditions the Trustees may think fit. For this purpose the Trustees may give security for repayment over the entire Trust Fund or any part of it, whether or not any part over which the security is given benefits from the borrowing.
8. **Carry on business:** To carry on any business anywhere in New Zealand, whether in partnership or otherwise, for as long as the Trustees think fit. The Trustees may use any part of the Trust Fund as capital in the business, and may also employ in the business such managers, agents, employees and other persons (including any Trustee other than a person who for the time being is the sole Trustee of the Trust Fund) as they think fit.
9. **Accept payment in company securities:** In the sale of any business to a company, to accept payment for all or part of the purchase price in ordinary deferred or preference shares (whether fully paid or partly contributory) or debentures or debenture stock of such company. In exercising this power the Trustees shall not be taken to be exercising a power of investment.

10. **Promote a company:** To promote a company or companies for the purpose of acquiring any business or the assets of any business.
11. **Act in relation to certain companies:** In respect of any company in which the Trust Fund holds or is the beneficial owner of shares, notes, stock or debentures:
  - a. to act as a director of the company and to receive and retain fees or other remuneration for so acting without having to account to the Trust Fund unless the Trustees otherwise require;
  - b. to provide out of the Trust Fund on such terms as the Trustees think fit further capital for the company either by way of advances, loans, deposits or otherwise (with or without security) or by taking further shares in the company, but only insofar as the Trustees are satisfied on reasonable grounds that the provision of such further capital will contribute to the ability of the Trustees to fulfil the Trust's Purposes;
  - c. to concur in the winding up, reconstruction or amalgamation of the company or in the modification of its regulations, on whatever terms the Trustees think fit; and
  - d. generally to act in relation to the company in whatever manner the Trustees consider to be in the best interests of the Trust Fund.
12. **Subdivide:** To subdivide any property forming part of the Trust Fund and to meet the costs of subdivision out of the Trust Fund.
13. **Maintain property:** To maintain, manage and improve property which, or any interest in which, forms part of the Trust Fund, in whatever manner the Trustees think fit. For those purposes, the Trustees may pay and apply any of the capital and income of the Trust Fund as they think fit.
14. **Develop:** To spend any sums out of the capital or income of the Trust Fund the Trustees think fit in developing any property forming part of the Trust Fund and to do all things which the Trustees consider necessary or desirable for the proper completion of the development.
15. **Purchase property:** To purchase as an asset of the Trust Fund any property or interest in property which the Trustees consider will benefit the Trust Fund. In exercising this power the Trustees shall not be taken to be exercising a power of investment.
